

## Employee Communication Manager ... ...closing the communication gap!

### The Buzz about Wavelength

*"Accountability [has improved]. You cannot account for paper trails but people are now more accountable with the electronic format - the paper trail is related to each user."*

Administrator,  
Heath Care Facility

*"My favourite part of Wavelength is that I am always in the loop; I feel more a part of everything that is going on in the office. Plus I get to stay organized with schedules, calendars and task tracking."*

William,  
HR Associate
